THE REASON

WHY

MOSELEY'S

IS SO POPULAR

WITH EVERYBODY:

1st. The coolest Soda Water is drawn from Daw's Patent, containing Frozen Cream and Shaved Ice.

2nd. THE LADIES FARLOR ICE-CREAM SALOON is here, and everything is so nice that the most fastidious cannot fail to be pleased.

3rd. MOSELEY supplies families with the best the market affords, and you can find a fresh supply always ready.

4th. Gents will find good CIGARS and TOBACCO always on hand.

BANKER CIGARS.

PUFF OF SATISFACTION.—Nothing is more grateful than the solace of a good-flavored and free-smoking cigar. Such are Mehegan's Bankers, the best cigars for their price in the country. They have become so universally popular in North Carolina, in Raleigh particularly, that all the inveterate smokers are breaking their pipes.

We honestly think two boxes of Mehegan's Bankers might be induced to influence even Grant to compassion in regard to the suffering Cubans.

We recommend the Bankers, and know whereof we affirm, for as we write we are consol dwith the proud satisfaction of puffing one, and enjoy it hugely.—*Norfolk Journal.*

Pink Hardie is Agent for the Bankers, and says he has a letter from Mr. Mehegan saying that the stock in them is better than ever. Go and try them.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR

MONDAY, AUGUST 8, 1870.

FELLOW CITIZENS: We congratulate you upon the complete and noble victory, which you have just won at the ballot box. A victory of truth, justice, liberty and law, over corruption and high handed usurpation and tyranny. Let us enjoy our triumph with the same dignity and moderation which characterized us as a people, before and during the excitement of the election.

It was the policy of some of the leaders of our opponents, to drive us into violent resistance and efforts were made to do so by repeated instances of lawlessness and oppression. But thanks to the good sense of our people they failed, signally failed, in their wicked purposes, and the whole American people now see too plainly to be misled in the future, that the military movement set on foot here, was gotten up upon false pretences by desperate men, for the purpose of carrying the election and keeping themselves in power.

Seeing the rising indignation of the honest people of the State, suffering as they were from all the ills arising from a wasteful and corrupt administration of the State government, and that all was lost to them, unless something could be done to avert popular condemnation, they deliberately planned and attempted to execute the desperate scheme of military violence which the country has seen enacted, in the hope and with the exception that the people, alarmed, overawed and helpless, would tamely yield their rights and allow the election to go by default. The result has shown how much they were mistaken in the character of the people of North Carolina.

We very well know, fellow citizens, that this is not a mere party triumph—true it is, the victory has been won in the name of our party. But let us not forget that it is a victory due in a great degree to the uprising of honest and Conservative men of all parties. The election returns show that thousands, who in the former elections voted with the Radical party, have come to our aid and helped us to win the signal triumph which now gladdens our hearts.—Even the colored race, controlled as it hitherto has been by evil counsels and gross misrepresentation of our motives and purposes as to them, in many portions of the State, in very considerable numbers, broke away from the trammels in which they were bound and materially aided in swelling our majorities.

To the colored people we say, fear nothing. We pledged ourselves in the Legislative address issued in March last, that all their rights under the constitution and laws of the country, in case of our success, would be alike respected and protected with those of white citizens. Time will show that these pledges will be faithfully redeemed. We know that efforts will still be made to alarm, delude and mislead them, for without their aid the faction that has just been defeated, will hereafter be powerless. The interests of the white and colored races in North Carolina are the same, and what injures one will surely and inevitably result in injury to the other.—Let there then be no strife between them. Let each respect the rights of the other and peace and harmony will prevail.

The Governor of the State, as you are aware, has assumed to himself the right, at his will, to have arrested any citizen of the State, and to detain him at his pleasure, although the highest judicial officer of the State has decided that the privilege of the writ of *habeas corpus*, secured by the Constitution of the State, cannot be and is not suspended. Nevertheless, the Governor has refused obedience to such writs when issued by the Chief Justice. The guilt or innocence of the parties held in arrest has nothing to do with this matter. A great question of civil liberty is involved, and no free people or a people fit to be free will ever consent to yield it.—Let the parties seized and held in custody be turned over to the civil authorities. If innocent, let them be discharged, if guilty of any violation of law, let them be lawfully tried and punished.

Fortunately, while the Chief Justice of the State has declared himself powerless to have the law practically enforced, there is full protection given to every citizen by the constitution and laws of the United States, in such cases, and we are gratified to inform you that Judge Brooks of the United States District Court, has issued writs of *habeas corpus* in the name of the United States, ordering the parties held in custody to be brought before him, in order that the cause of their seizure and detention may be enquired into, and relief be granted if they should be entitled to it.

Will the Governor have these writs obeyed? We hope so. But there are rumors abroad that he will not. A few days at the utmost will determine. This, however, we can safely say, that if he refuses obedience to the writs he will only plunge deeper into difficulties.

The law of the land, in every well regulated system of government, must be obeyed. He who contemns its commands may, for a time, evade the consequences, but in the end he will surely be held to strict account, whether he sits in high places or is found in the humblest walks of life. None is so high as to be above the law and none so low that it will not reach him.

Our earnest wish is, and we are sure that it is the wish of the great mass of our people, that peace, good order and obedience to the laws of the land may prevail in every part of the State.

We have just elected a Legislature, a large majority of which is composed of men of character and intelligence. We can now look forward with confident hope that the State government hereafter, entrusted to honest and capable hands, will prove a blessing and not a curse to our people, as it has been during the present State administration.

ELECTION RETURNS.

We continue to give such election returns as received. The following are in addition to those received up to 5 o'clock Saturday afternoon. We notice the *Standard* has not repeated its "12 or 15,000" majority, from which fact we suppose that veracious sheet has rather altered its opinion.

CUMBERLAND.

A correspondent at Fayetteville writes, "our election is over, but not all counted out, but enough to say we have two Conservative Senators and two Conservative Commoners."

PERSON.

A complete and decisive victory in Person county, the whole ticket being carried by a large majority. Shipp 1093, Phillips 755, Leach 1095, Scott 776, Senate Bradsher D. 1095, Edwards D. 1099, Barnett R. 779, Lassiter R. 755. Commons, H. T. Jordan D. 1038, Walker R. 789, J. L. Harris, D. elected Sheriff. All the balance of the ticket carried.

SURRY.

Shipp's majority 400, Leach's 375; Hampton D. for the House 423; Cowles D. for Senate 416, all Conservatives and county officers all ditto.

CABARRUS.

Shipp 963, Phillips 851, Shober 963, Sprague 853; Senate, Mauney D. 948; Pickler ind. 858; House, Henderson D. 930, McDonald, R. 882. Hurley D. re elected Sheriff.

BEAUFORT AND HYDE.

Warren D. certainly elected; Shipp's majority about 300, the entire Conservative ticket in both counties elected.

CHOWAN, &c.

A letter dated, Edenton Aug. 5th, says, "Rejoice and be exceedingly glad—Jno. Page (negro) has been beaten by Drew Welch, Conservative. Most of our ticket believed to be elected. Speed and Skinner is surely elected."

CATAWBA. (Official.)

Shipp 1043, Phillips 149; Congress, Shober 1034, Sprague 143; Senate Crowell, d. 743, Mott, ind. 310; House, Lowrance, d. 537, Houston, ind. 624. All county Conservative ticket elected. Boyden's vote in this county in 1868 was 502, Sprague's this year is 142.

BERTIE.

The Reds carry this county, but the Conservatives reduced the majority against them by about 300.

STOKES.

Shipp 989, Phillips 580; Leach, d. 1009, Scott, r. 560; Senate, Adams, d. 968, Estes, r. 532; House, Mitchell, d. 1024, Newsom r. 502; gain of about 500

YADKIN.

The Conservative ticket carried by over 400. Cowles, d, majority over Vestal, r., more than 400. The Reds carried this county before by a considerable majority.

DAVIDSON.

Shipp 1216, Phillips 1150; Congress, Leach, d. 1208, Scott, r. 1299; Senate, F. C. Bobbitt, d. 1275, Allen, r. 1122; House Clinard, d. 1293, Brown, ind. 1218, Beckerdite, r. 1145, Miller, r. 1110; Lofiin, d. elected Sheriff.

MCDOWELL.

A correspondent says, "Little McDowell has done gloriously; we have met the enemy and they are ours," by which, we guess, he means to intimate that McDowell has gone Conservative. The same correspondent says, "Flemming is elected over Moore, the old Senator, from Yancey.

CLEAVLAND.

Shipp's majority in this county is 854.—Harper, dem., for Congress, Whiteside, dem., for Senate, and all the Conservative county candidates carry the county by about the same majority. This is a gain of about 470 votes. Whiteside is elected to the Senate, and Lee M. McAfee to the House.

RUTHERFORD.

Justice, anti-Holden Rad. elected by about 300, a gain to us of 450 on the Presidential vote.

ROCKINGHAM.

Shipp 1,592, Phillips 1,142, Leach, dem., 1,577, Scott, rad., 1,153; Senate, Morehead, dem., 1,613, Barnes, rad., 1,117, House Johns, dem., 1610, David Settle, dem., 1,591, Roberts, rad., 1,119, Holderby, rad., 1,111; Johns and Settle elected.

EDGECOMBE.

This county has gone Radical, as a matter of course, by what majority, we are not informed.

PITT.

The entire Conservative ticket elected.

BEAUFORT.

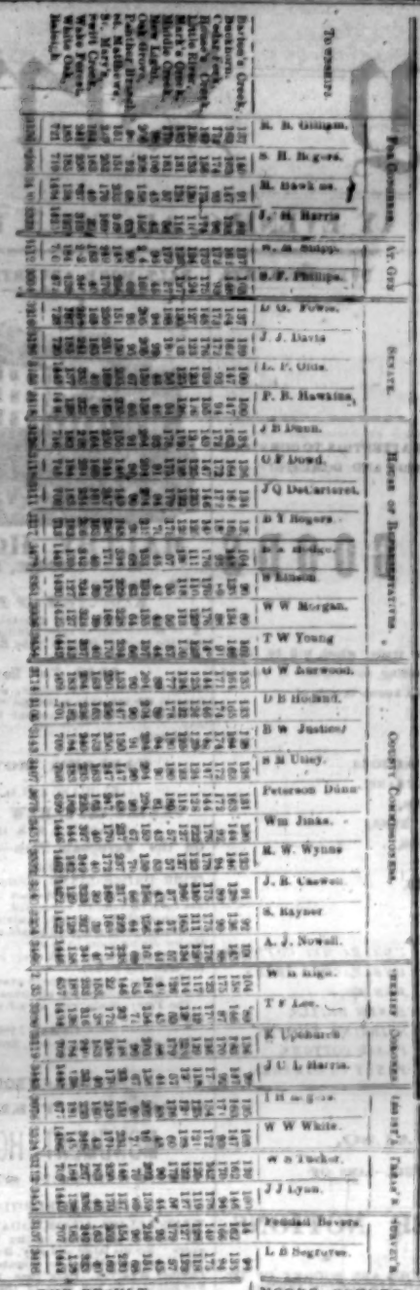
Follows Pitt and gives a handsome Conservative majority. Large gains in both.

FRANKLIN.

We have received the following telegram from Franklinton. Phillip's majority 66; Congress, Hawkins 68, Harris, col., 64; Senate, P. B. Hawkins beats Davis 34, Olds beats Powle 31. The Radical candidates for the Legislature elected by 24 and 29 majority. About 60 illegal votes given by the Reds at Hayesville township; the Democrats will contest the election.

ROBESON.

The Wilmington *Journal* states that the Conservative ticket is elected in this county, but somebody walked off with the paper and therefore we cannot give particulars.



THE RESULT.

The official returns of the election on Thursday last, are yet very meagre, yet enough is known to assure our readers, that the triumph of the Democratic Conservative party is complete, presenting one of the most remarkable revolutions of public sentiment, ever known in North Carolina, if not in any other State in the Union.

How was it accomplished? In three fourths of the counties of the State, the Sheriffs, registrars and poll holders were Radical, and there is abundant evidence to prove that thousands of illegal voters were registered and permitted to vote. The Radicals held a State Convention and effected a thorough organization. The 75,000 colored voters, though not so unanimous for Radicalism as in 1868, were nevertheless firm and determined to vote with them. Money was abundantly supplied both at home and from abroad, to carry the election for Radicalism. The officials of the general government were almost to a man with them, not only as voters, but as canvassers and workers for the Holden administration, and every man who could make a speech among them, went into the canvass in their behalf. Added to this, two regiments of State troops were scattered as desired, making arrests and intimidating Democratic voters, paralizing almost entirely the efforts of the Democrats and Conservatives in the two important counties of Alamance and Caswell.

On the other hand, the Democrats and Conservatives held no State Convention, were without efficient organization, without money and the ordinary appliances of a canvass. They did not have any mass meetings, nor did our able speakers canvass the State as on former occasions.—And yet with all these advantages against us, we have overcome the 12,000 majority given to Grant over Seymour, and have a popular majority of from 5,000 to 15,000. We have blotted out the more than two thirds majority in the Senate and House, and have secured nearly a two thirds majority against them in both Houses.

Such a result is wonderful, yea, astounding to our friends and enemies. With such odds against us, the question arises, how was it accomplished? We know no answer to the enquiry, but the universal conviction in the minds of the people, that there never was in the State so corrupt, wasteful and improvident a General Assembly as the last, and that no administration ever labored a tithe so hard to beggar the people of the State, to oppress the people with taxation, to keep up the spirit of strife among the people, and finally to outrage them by its despotic, lawless military organization, the virtual suspension of the writ of *habeas corpus* and the utter ignoring of the personal civil rights of the people. We never saw such earnestness, such universal determination on the part of the people, to *vote at all hazards*, before.—Thousands who had not voted since the war, could neither be bribed or scared from exercising that sacred right. God and liberty, was their battle cry and they triumphed gloriously.

ROTATING.—A friend wants to know "whar is Rotating Dick gwine next." We can no more tell than we can the gyrations of an *eel*. About now, "O Richard," has gone up Salt River.

MOORE COUNTY—ANOTHER OUTRAGE.

We see it stated in our exchanges, that recently, H. M. Miller, with a posse of Kirk's men, had gone to Moore county and removed H. K. Worthy, the regularly elected Sheriff, and put in his place his competitor. To prevent misconception we will state the facts as we understand them.

Two years ago, the people of Moore county elected H. K. Worthy, one of its most popular and public spirited citizens, their Sheriff. Mr. W. having taken competent counsel as to his eligibility to the office, qualified as such and entered upon his duties. His competitor objected to his qualifying, because he alleged he was ineligible and commenced suit against him. The case was carried to the Supreme Court and was not decided until its term just closed. The decision was against Mr. Worthy's eligibility, though we have heard it characterized as a partizan decision.—The only thing necessary was to have given him an official notification and Mr. Worthy would at once have vacated the office.—But this proper, civil and legal course did not suit Gov. Holden. He seems never to have realized the fact, that when he was elected two years ago by the negro population of North Carolina to the office of Governor, that it was a civil office. He seems to have disdained such an idea, but true to his instincts, has presumed to *force* the respect of the people for the office if not for its possessor, by carrying out his grandiloquent ideas of power and place, by a pigmy display of military pretension.

Accordingly, some eight or ten days before the election, it was understood that he had bolsted the young *locat* of the *Standard* from that position and made him a Major in Col. Clarke's State troops and sent him at the head of a squad of "Clarke's babies," to execute some job in Moore county. We could not understand the movement. We were sure he could not mean *intimidation* of the people of Moore—that would have been too ridiculous, but it seems he sent Henry with a squad of Clarke's soldiers, to tell Mr. Worthy he must turn over his office to his competitor, according to the decision of the Supreme Court of North Carolina!!

We regret that Henry M. Miller was so enamored with the "fuss and feathers," as to identify himself with the military exploits and lawlessness of Gov. Holden by accepting his appointment. He bears an honored name—one emblazoned in the memory of the people of North Carolina, as the champion of constitutional law, of peace and order, and *par excellence*, as the eloquent defender of civil liberty and the personal rights of the citizen. O! if that tongue were allowed to speak on this arena and on the mad career of Gov. Holden the past two years how scathing, crushing, overwhelming, would be its rebukes, how bitter its denunciations and how eloquent its pleadings, for *right*, for peace! Alas! that we have so many degenerate sons of noble sires, in this age.

WHAT'S THE NEWS?—We have answered this question, with variations, seven hundred and seventy five times, more or less, since 7 o'clock this morning. We have invariably and truthfully answered, "good," "first rate," "better and better," &c., and now we repeat, the news from all parts of the State is just as good as any reasonable man ought to expect. We shall have a large majority in each branch of the Legislature and in the popular vote in the State

The Excelsior issues Policies on all the plans of *Mutual* or Stock Companies, extending to policy holders, all the really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to live and travel *where they please* in any healthy part of the world, they participate in its profits, are allowed 30 day grace for payment of renewal of premium, a cash surrender value of policy, *and a privilege* which has never been offered by any other Company, that of converting Policies into

Hitherto, I have been situated in the very popular Company which I had the honor to represent to Stock rates above which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies, in this State who claimed to possess unusual charm, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines all the popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, into an *Annuity Bond* which provides an income or cash through *life, or for a series of years as preferred.*
Circulars giving full explanations and any other information, will be cheerfully furnished.
The most liberal arrangements, will be made with first class solicitors, to push the Excelsior forward in the Old North State to that position which her low rates and most ample security entitle her to occupy.

CITY AND STATE ITEMS.

MONDAY, AUGUST 8, 1870.

JUDGE BROOKS AND HABEAS CORPUS.

The miserable truckling of Chief Justice Pearson *endorsed* by his associates as he said, in the matter of the illegal arrests made by Gov. Holden, has made every honest, high-minded man hang his head for very shame, at the deep, humiliating degeneracy of the Supreme Court of North Carolina. We have been prouder of the reputation of our Supreme Court in days past, than of any interest of the State,—its lofty bearing, its freedom from partizan bias, its leariessnes in the discharge of duty and its wise decisions have given it a name in Europe as well as America, of which we are proud. Alas! that the fine gold has become dim and that *Ichabod* has been written upon it.

We rejoice that Judge Brooks of the U. S. District Court, is made of the right kind of metal for these degenerate times, and that he is beyond and above the corrupting, contaminating influence of a State Executive, who has so repeatedly disgraced his position. Finding no relief from the Chief Justice or his associates, the learned counsel for the persons arrested by Kirk by order of Gov. Holden, have applied to Judge Brooks for the necessary writs, and they have been issued promptly, and the Judge has ordered them to be executed at once, and the parties be brought before him at Salisbury the present week. The Judge means business and the U. S. troops are ready to obey the proper order to take the men from Kirk's clutches, when Kirk's refusal forces the order.

Please Don't.—If persons could realize the inconvenience it causes an editor to have his papers removed from or disarranged on his table, they would certainly have the courtesy to refrain from interfering with them. This morning we missed some of our most important exchanges, and the consequence is we are unable to give some important items of news from different points of the State that we know would be interesting and gratifying to our readers. As little as it may be known, it is nevertheless true, that our exchanges cost us over a thousand dollars a year, and we pay this sum for them for our own use.—We are willing to let our friends have the use of our exchanges when we can do so without positive loss and inconvenience to ourself and our readers, but to have them taken away before we have used them is too bad; please don't do it.

Crowing.—We learn that the Reds are "laying that flattering unction to their souls" that a number of our elected members of the Senate and House are *banned* men. Poor creatures, they need a cramb of comfort in their deep distress, but even this will be denied them. No disabilities exist among the majority of the members elected, even if any one of them is "banned." The number would be too small seriously to affect our majority.

Tribute.—We are requested by a friend of Mr. Turner to say that, while he is confined in Holden's bastile at Yanceyville, his friends are raising, by subscriptions of small amounts only, a sum of money to procure him a present of value, as a testimonial of their sympathy and high regard for him as a man, and his indefatigable efforts in behalf of truth and justice as an editor.

We also, in his enforced absence, and in his behalf, acknowledge and return thanks for, an invitation from the Messrs. Peytons, proprietors of the Greenbrier White Sulphur Springs, for Mr. Turner to visit and spend a month at the Springs, as the Guest of the place.

Something New.—Mr. Paul Linke, we observe, has fitted up, or is about fixing up a gymnasium on the vacant space in front of Frapps' Lager Beer Saloon, on Fayetteville Street. This will give our young men an opportunity of exercising themselves in feats of strength and agility, develope the muscles, strengthen the sinews and put the vital fluids into active circulation. We have seen the day, boys,—but never mind about that now; Mr. Linke will soon have his ropes, bars, weights, and other paraphernalia ready for your accommodation in the line of athletics.

Soldier Shot.—We learn that a U. S. soldier, while passing the militia camp at the Baptist Grove, last night, considerably disguised with liquor, was ordered to halt by the sentinel and not obeying immediately, was fired on, the ball taking effect in both legs, inflicting severe wounds. We hope no disturbance will ensue from this affair. Let it be remembered that the tools are not so much to blame as those who give them the orders.

We learn that on Sabbath last a gang of lawless negroes, armed with muskets, guns, pistols, daggers and clubs, went to the house of Mr. Herbert Edmundson in this county, (who stands charged with having shot B b Best (col.) on the evening previous) for the purpose of revenge. They ransacked the house and altogether behaved in a most outrageous and turbulant maner but failed in meeting Mr. Edmundson.

Here is a clear and open violation of our civil law. What does that riotous demonstration mean? The civil law is readily enforced in this county and two civil warrants for the arrest of the accused were in the hands of officers at the time this lawless demonstration was made. Does it mean mob-law? If so we caution those would-be desperadoes *to beware!* We want law and order to prevail; we want all law breakers promptly arrested and punished; we want justice done—but we are opposed to mob law. We have no doubt that Mr. Edmundson will be duly apprehended and if guilty we say let him be punished, and we earnestly hope that those lawless negroes who conspired against life and peace of society will also be dealt with as the law directs. *Goldsboro Messenger.*

JOHN KERR *Ex parte.*

In the matter of John Kerr before His Honor Chief Justice Pearson at Chambers at the room of the Supreme Court, July 2nd 1870, the Marshal of the Court made his return upon the following writ, that he had executed it by delivering a copy to Col. George W. Kirk.

David A. Wicker, Marshal of the Supreme Court, is hereby authorized and commanded forthwith to make service of this writ on G. W. Kirk, as provided by law in such cases, and make return how he has executed the same, at Raleigh.

R. M. PEARSON,
Chief Justice Supreme Court.

July 30, 1870.

Thereupon the following paper was read:

H'D Qu'rs 2nd Reg. N. C. S. T.
Camp Holden, Yanceyville, N. C.
August 1st, 1870.

I respectfully reply to the service of the writ in the case of John Kerr, Samuel P. Hill, Jesse C. Griffith, F. A. Wiley, J. T. Mitchell, Thomas J. Womack, A. G. Yancey, John McRee, A. A. Mitchell, Yancy Jones, J. M. Neal, W. R. Bowe, Barzillia Graves, N. M. Roan, Robert Roan, James R. Fowler, M. Z. Hooper, James C. Williamson, and Peter H. Williamson, that I hold the prisoners under orders from W. W. Holden, Governor and Commander-in-chief of militia.

GEO. W. KIRK,
Col. Com'd 2nd Reg. N. C. S. T.

Thereupon the Hon. W. H. Battle arose and said, we, as counsel for the prisoners move,

1. For an attachment against George W. Kirk for not making a sufficient return.

2. For a precept to some competent person commanding him to bring the body of the petitioner, and authorizing him to call out the *posse comitatus*, if necessary to enforce it.

Mr. Battle then spoke substantially as follows: May it please your Honor, I have already argued the questions presented by the present case in the other cases of *habeas corpus* which have been before you so fully, that my remarks now shall be very few. I contend that the return of George W. Kirk, which has just been read before you is utterly insufficient, and that, therefore, a writ of attachment should be issued against him, as directed by the 15th section of the *habeas corpus* act of 1869-9 ch. 116. I say that the return is insufficient and I will proceed to show it.—The 11th section of the same act declares that "the person or officer, on whom the writ is served, must make a return thereto in writing, and, except when such person shall be a sworn public officer, and shall make his return in his official capacity, it must be verified by his oath." Now the exception of the want of an affidavit in favor of a sworn public officer in this case, because G. W. Kirk is not such a public officer as is meant by the *habeas corpus* act. He is, what he styles himself, Colonel of the 2nd Reg't of North Carolina State Troops, and no such troops are authorized to be organized, armed, equipped and disciplined by the constitution and laws of the State. The 12th Article of the Constitution is the only authority for organizing a military force in this State. That Article is headed "Militia," and declares "that all able bodied male citizens of the United States between the ages of twenty one and forty years, who are citizens of the United States shall be liable to duty in the militia: Provided, that all persons who may be adverse to bearing arms, from religious scruples, shall be exempt therefrom."

The second section declares that the General Assembly shall provide for the organizing, arming, equipping and discipline of the militia, and for paying the same when called into active service. "And the third section ordains that the Governor shall be Commander-in-Chief, and have power to call out the militia to execute the law, suppress riots or insurrection, and to repel invasion." It is thus seen that the Constitution of the State says nothing whatever about State troops; and by turning to the acts of the General Assembly we shall find that all these provisions are confined exclusively to the militia. See the Act of 1868-'69, chap. 23, entitled "An Act to organize a militia of North Carolina," and also the Act of 1869-'70, entitled "An Act to secure the better protection of life and property," and commonly called Shoffner's Act. Neither of these acts, nor any other, has a right to go beyond the Constitution in organizing a military force for the State, and nothing can be found in them or either of them, showing an attempt to violate the fundamental law of the State. In neither of these is there even a hint at such an organization as that now commanded by Col. Kirk. Indeed the forces he commands is not only ignored by the constitution and laws of North Carolina, but are expressly forbidden by the 2nd paragraph of the 10th section of the 1st article of the Constitution of the United States, which declares that no State, shall without the consent of Congress, keep troops or ships of war in time of peace." Now Kirk's troops are not militia, but State troops. They are commanded by a man who is not a citizen of the State, and many of his subordinate officers and common soldiers are said to be from the State of Tennessee. This Colonel, who, as I have already said, signs himself Colonel of the 2nd Regiment of North Carolina State troops, and says that he holds the prisoners under orders from W. W. Holden, Governor and Commander-in-Chief of *Militia*, is not, therefore, and cannot be, a public officer of the State who is authorized by the *habeas corpus* act to make a return, which is not verified by his oath.

I insist further, may it please your Honor, that we are entitled to have our second motion granted. Your Honor is authorized, by the 17th section of the *habeas corpus* act, to direct the precept, called for by our motion, "to any Sheriff, Coroner or other persons to be designated therein, commanding him to bring forthwith before you, the party, wherever to be found, for whose benefit the writ of *habeas corpus* shall have been granted." The next motion authorizes such Sheriff, Coroner or other person, to whom the precept may be directed, to "call to his aid the power of the county, as in other cases." You have already held that the Constitution of the State says nothing whatever about State troops; and by turning to the acts of the General Assembly we shall find that all these provisions are confined exclusively to the militia. As your Honor has already decided that question, I will not argue it again, but I must be permitted to say that to my mind, it seems to lead to absolute despotism in the State.—If the Governor can, at his will and pleasure, proclaim, as he has done, two counties to be in a state of insurrection, he can proclaim every county in the State to be in that condition, and then, the military power being predominant and the civil power prostrated at its feet, we shall be in a worse despotism than can be found in any other part of the civilized world. Indeed, as soon as the county of Wake, in which the Governor resides, shall be declared to be in a state of insurrection, then the Governor himself, will become an insurgent, and then we shall be in a condition of despotism and anarchy such as we have no word in the English language to express the idea. Sir, the *habeas corpus* act, as it was evidently drawn with much care and was intended to secure to every citizen of the State the benefit of the great writ of *habeas corpus*, is not so inefficient that it may be made a dead letter at the pleasure of the Governor. I contend that you have the power to appoint any person you please to execute the precept we call for, and such person is not confined to the county of Caswell for the *posse* to aid him in its execution, but may call out, if necessary, the *posse* of every county in the State. Nay, sir! I contend that as a last resort, the power of the United States authorities may be applied for to assist in making the precept effectual.

I close by asking from your Honor not only a writ of attachment against Col. Kirk, and the precept to some proper person to enforce the production before you of the body of the petitioner, but for any other relief to which we may be entitled, and which it is in your power to give. I leave it to my associates to discuss the other questions which are involved in the case.

The following is the decision of the Chief Justice in the above mentioned case:

AT CHAMBERS.

EXPARTE KERR.

On the return of the Marshal, Mr. Battle submitted two motions:

1st. An attachment against G. W. Kirk, for not making a sufficient return.

2nd. A writ to some competent person to bring the body, and call out the posse of the County if necessary.

The first motion was not allowed. The objection, that the return, as the Counsel termed it, is not sworn to, and other objections taken, are not relevant; for this does not purport to be a *return*, but a refusal to make a *return* by the orders of the Governor.

Treating it as a refusal, the motion is not allowed for the reason set out in the opinions delivered by me. I can say no more than what I have already said. The power of the Judiciary is exhausted—I have no *posse comitatus*. In this particular, my situation differs from that of Chief Justice Taney, in "Merriman's case." He had a *posse comitatus* at his command, but considered the power of the Judiciary exhausted without calling it out—he did not deem it to be his duty to command the marshal with the *posse* "to storm a fort."

It is gratifying to be able to say that the other Justices have been in unreserved conference with me and all concur in these *habeas corpus* proceedings.

RICHMOND M. PEARSON,
Chief Justice S. C.

ASSAULT AND OUTRAGE.

On Saturday last Mr. H. C. Reed, sued out a writ before S. D. Harrison, J. P., against Stephen A. Douglas and Joseph W. Holden, on the following affidavit:

STATE OF NORTH CAROLINA, }
WAKE COUNTY. }

Henry C. Reed, a citizen of said county, makes oath, that about a quarter before four o'clock, P. M., of the 5th day of August, A. D., 1870, while he was sitting in his own house on Hillsboro' street in the city of Raleigh, in said county, engaged in reading, one Stephen A. Douglas and one Joseph W. Holden came to his house, and without giving any notice of their approach or presence at the door, entered the room in which affiant was so sitting; that he asked them to take seats, which they each did; that said Douglas then enquired if affiant's wife was at home. He responded that she was in the adjoining room, that said Douglas then said to affiant that he had come to see affiant on important business; that affiant said proceed sir, Said Douglas then asked affiant, if he, affiant, had said to any one that he, Douglas, had with a pistol forced one Patton to admit that he had not been hanged and forced to make confessions in the county of Alamance? Affiant replied, he had not so stated, but had said to some person or persons, that he, affiant, had learned from one Spooner, that said Patton had told said Douglas that he had not been so hanged—that he had heard from several persons and repeated the statement, that said Douglas had presented a pistol at said Patton and forced him to admit that he was not so hanged; that said Douglas then asked affiant if he would put his statement in writing, which affiant did substantially, adding that he thought the statement as to presenting the pistol at Patton was not well authenticated, that said Douglas then asked affiant if he, affiant, thought he, Douglas, would so present a pistol at any one to extort confessions, affiant said he could not so say, for he had no acquaintance with him, Douglas, had seen him but a few times at a distance; that said Douglas then rose from his seat, stepped to the petition door that led into the chamber of affiant's wife, closed it, turned round and stepped towards affiant, drew a pistol and swore he, Douglas, would be God damned if he did not kill affiant, if affiant persisted in his refusal to make the statement demanded of him, and did not write as he directed; that affiant said in reply, that he would not, under any circumstances, make such statement, that he would suffer death rather than do so, and said he was unarmed; said to Douglas "How could I say such thing of you, when at this moment with pistol in hand, you are trying to force me to make a written statement." Affiant repeated that he was unarmed and would rather suffer death, than make the required statement; that, at the time, affiants wife rushed into the room and ordered said Douglas to leave the house, else she would have him arrested, that said Douglas said that he was not there to see her, but affiant; affiant also ordered said Douglas to leave the house. Said Holden was present during the whole affair, and when Mrs. Reed came into the room, he suggested to said Douglas that a lady was present and to desist.—Said Douglas drew a pistol, held the same in his hand, and cursing and threatening furiously and repeatedly demanded of affiant that he should make the required statement, and affiant persistly refused.—Said Douglas finding he could not extort from affiant the desired writing, left affiants house in company with said Holden.

Said Holden came to affiant's house with said Douglas, was present during the transaction herein recited and left with him.

The above is substantially and much in detail, a true statement of the facts of the matter stated.

Signed, H. C. REED.

The parties were at 10 A. M. to-day, brought before S. D. Harrison, Esq., and waiving the preliminary examination, were bound over to appear at the next term of the Superior Court for Wake county in the sum of $1,000 each.

WEST VIRGINIA.

Gardenbier White Sulphur Springs, August 6, Midnight.—A fearful accident occurred on the Chesapeake and Ohio Railroad to-night. [THIRD DISPATCH.]

Allegheny, August 7, 5 A. M.—The train sent to the scene of the wreck has just returned. The up train on the road ran off at half-past 9 o'clock last night, the car next to the rear one going down a perpendicular embankment one hundred feet high. FOREIGN.

London, August 6.—Torpedoes have been sown thickly in the channel in the Weser.

The correspondence of the *Independent Belge* says the affair at Saarbruck was a mere farce.

Bismark's organ at Berlin now approves of England's observance of her neutral obligation.

The fortifications of Antwerp and Hamburg are being put into a complete state of defence with all possible haste. Saltpetre in vast quantities has been ordered from India.

The French navy has not yet followed the French naval fleet to the Baltic to act as ambulances.

It was General Abel Douay, the infantry commander, who was killed at Weissenburg, not General C. Douay, the General commanding a division.

The *Globe*, on undoubted authority, says a great battle, in which many bodies of troops were engaged, took place on the 5th, which was terminated by the darkness. It was resumed early next day and continued until 7 o'clock of the 6th, when the victory was declared for the French.

Similar rumors were current in Paris, affecting the Bourse.

The conflict between the French General MacMahon and the Prussian Crown Prince, already mentioned, was apparently the commencement of the struggle. This fight has doubtless occurred.

There is a better feeling in the markets and on 'Change. The cause cannot be traced to any feature of the political news. It is probably the result simply of reaction from the exaggerated depression which followed the first announcement of the France-Prussia war. There are rumors prevalent of fighting now going on, but there are no confirmatory dispatches from the continent up to this hour.

The *Saturday Review* explains the withdrawal of the French troops from Rome by the anomaly of their presence there, and by the new French war crisis that the Emperor has authorized, including the Mareschalate.

The *Review* also says that Germany has access to English arms through Holland, which is supplied by England, and may in turn send supplies to North Germany.

The *Economist* thinks that the suspension of the Bank of France as a war measure to reserve funds for the troops was probably but the question is of little importance to England.

English pilots are forbidden to serve the belligerents.

The following dispatches has just been received here:

Weissenberg via Berlin, Saturday August 6.—The Prince Royal has defeated Marshal MacMahon.

Berlin, August 6, via London, 10.30 P. M.—The Prince Royal telegraphs the following bulletin from the "front, field of battle":

Victorious battle has been fought near Worth. McMahon was totally beaten (total overthrow) by the larger portion of my command. The French retreated upon Stutsch.

Frederick William, Prince Royal,
Field of battle, near Worth, 4.30 P. M.

Vienna, August 6.—General Tarr publishes a letter to prove that Bismarck was in 1866 ready to abandon Belgium and Luxembourg to France. It is said Tarr is prompted to make this publication by the friends of France.

The *Gazette* to-day prints a dispatch from Metz reporting that the regiment of the Prussian Royal Guard was cut to pieces at Weissenburg. A Prussian General was wounded. The loss of the Prussians was 7,000 placed *hors de combat*.

Paris, August 6.—The enthusiasm of the people over the favorable reports from the frontier is indescribable. Kossuth-us crowds fill the streets around the Bourse, so that no vehicles can pass, and shout and sing patriotic songs. The cafes are filled to overflowing. Placards are posted on the Bourse, giving the particulars of the last two days' fighting. Official reports are awaited with feverish anxiety. *None have yet appeared*, and as the Government will permit no other news from the army to be telegraphed abroad the bulletin reports cannot be had.

Attacks were made last night upon the shops of the money changers, occasioned by imprudent remarks made by some of their employees who are Germans. The police protected the threatened places from danger. At one shop which bore the arms of Prussia a placard was placed bearing the inscription: "Respect for the arms of Prussia." The shop was unmolested.

Madrid, August 6.—The press of this city discuss the attitude of the Washington government towards Cuba. The adherents of Montpensier see it as an argument for an early meeting of the Cortes.

WASHINGTON.

Washington, August 7.—European dispatches are somewhat confused, but they are translated at the North German legation as greatly to the advantage of Prussia.

A train approaching the White Sulphur Springs, Virginia, was thrown off the track yesterday; twelve were killed and twenty wounded. No ladies hurt.

FOREIGN.

Berlin, August 7.—The French have been defeated along the entire line in two days' fighting and are in retreat on Metz and are concentrating for the defence of Paris. Their losses are immense. McMahon was beaten on the right and Frossard on the left. The Prussians captured 4,000 prisoners, 30 guns and six *mitrailleuses* from McMahon.

Paris, August 7.—French official reports admit losses on both wings. Paris is tumultuous, the people maddened at the defeat.

FOREIGN.

Berlin, August 6.—General Sternmetz telegraphs the following particulars of the contest between Von Gotzen and the French forces under General Frossard. The fight was opened on our side by the 14th division which was subsequently reinforced by artillery and cavalry. A fierce and bloody struggle raged along the line between Saarbruck and Forbach, lasting until night. The heights of Spicheren was carried at the point of the bayonet and the enemy thrown back on Forbach. In the meanwhile our 13th division had advanced from Vockling on Saring Roumel and reached Forbach at night fall, when the broken division of the French army being driven upon that point, their baggage and camp equipage of two divisions and many prisoners, were taken.

London, August 8.—The Prussians claim they will have eight hundred thousand men on the theatre of war by the evening.

Rumors of the purchase by Prussia of the Sterrel's battery are discredited here.

The *Journal Officiel* of Paris denies the loss of any cannon or eagles at Weissenburg.

Advices from Rome state that the French deserters cause profound terror, and the Pope has asked Empress Eugenie to send one ship to defend him from the Italians now organizing for an attack on the Papal dominions and authority.

Paris, August 7.—A special to the New York *Times* says on the 27 heard authority that Italy sends 50 000 troops this week to the aid of France and it is believed in official quarters that America will also send a contingent at once. In the battle of Saarbruck on the 6th, General Conseil, General MacMahon's chief of staff, was killed by a shot. Generals Bazaine and Frossard were wounded.

Metz is prepared for a vigorous defence.

THOS. H. BRIGGS.

Read Certificates below.

Pittsboro', N. C., May 9th, 1870.

T. H. Briggs, Esq.: Dear Sir:—I used the "Utley Cotton Press," I purchased from you last season, and consider it to be the best Press I ever saw. Having packed bales to weigh from three hundred and ninety (390) to six hundred and twelve pounds (612.) I consider it the best and most durable Press I ever saw used, and can cheerfully recommend its use to the farmers of North Carolina.
Yours truly,
C. W. BYRUM.

Franklinton, N. C., April 16th, 1870.

Mr. Thomas H. Briggs: Dear Sir:—Yours of 13th instant inquiring as to the merits of the 'Utley Cotton Press" is to hand and in reply I would say that I have tried other Presses and consider the plan upon which *the Utley Press* works cheaper, simpler and more durable than any I have seen with.
Yours very respectfully,
JAS. E. WILDER.

River Lawn, Cumberland Co., N. C., April 22nd, 1870.

Thos. H. Briggs, Esq: Dear Sir.—In reply to yours of the 13th asking how I was pleased with the Utley Press I used last season, I would say that *it gave entire satisfaction.*
Respectfully yours,
CHAS. H. BLOCKER

Hillsboro', N. C., April 22nd, 1870.

Thos. H. Briggs, Esq., Raleigh, N. C.: Sir—I have used "Utley's Cotton Press" for baling hay for some months. It works well and gives entire satisfaction. I regard it as the best Hay Press I have seen.
Respectfully,
E. H. FOGUE.

Raleigh, N. C., June 18th, 1870.

T. H. Briggs, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own crop of cotton also other crops for my neighbors, making in all one hundred bales. I consider it superior in all respects to any Press I have ever seen and that it is every thing the patentee represents. I packed bales weighing from four hundred to five hundred and ninety-seven pounds.
Yours truly,
W. T. BOWLE.

THE EQUITABLE
HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (new assured) for the year 1869, exceeded that of the second company in rank by more than Nineteen Million Dollars.

In 1860 it was the 5th *Company* in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" after THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of one year, and each year thereafter, equals FOUR HUNDRED DOLLARS, THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with the General Agents.

Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Places it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch, or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.

SWEET QUININE

is made solely from Peruvian Bark (so is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, *malarial or miasmatic poison*, the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that *intense, persistent bitterness*, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

No more Exploded Cans!—No more Exploded Lamps!

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney!

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 25th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination "Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe* and brilliant illuminating agent. Its cheapness added to the other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

DOUBLE-ACTING FORCE PUMP.

SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 20 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

Having the exclusive rights to this pump for the states of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. MR. J. L. KITCHIN:

DEAR SIR.—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be kept by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
